

TRANSPORTATION PLAN

Have you thought about how you will get to work every day?

1. What type of transportation will you use to go to work?

My own car or motorcycle
Public transportation (the bus)
Hitchhike
Friends or parents will drive me
Bicycle
Walk
Car pool
Other,

2. If you plan to use your own car:

- a. On a scale of 1-10, with 10 being the best, how reliable is your car?
- b. How old is your car? years
- c. How many miles on your car?
- d. What repairs does it need now to be dependable?
- e. What repairs will it need in the next six months?
- f. Do you have a valid driver's license?
- g. Do you have any traffic violations or unpaid tickets on your record? If yes,
what are the violations? How much do you owe?
- h. Do you have auto insurance?

3. If you plan to use public transportation:

- a. Does a bus stop within six blocks of your house?
- b. Does a bus stop within six blocks of possible employers?
- c. How much will a daily bus trip cost? \$
- d. How long will it take you to ride from home to work every day?
- e. Do you ride the bus now for your transportation?
- f. Will you use the bus to take your children to day care?

4. If you plan to rely on friends or family:

- a. Ask the friend or family member to write down exactly what he or she is willing to do. Put the statement in this pocket of the handbook.
 - b. On a scale of 1-10, with 10 being the best, how reliable is this person?
 - c. On the same scale, how reliable is his or her car?
 - d. What is your relationship to this person?
 - e. Will he or she be making a special trip just to take you to and from work?
 - f. Will you pay this person for the transportation? If so, how much a day? \$
5. If your main transportation plan doesn't work out, what is your back-up plan?
6. If work is not available in your home community, how many miles would you be willing to travel to a job?
7. If you have decided that you have problems with your transportation, what needs to be done to solve these problems?
